

Cisco Systems Internet Generation Award 2008

Cisco Systems is offering up to three \$5,000 awards for freshmen students pursuing degrees in the field of Electrical Engineering & Computer Science

Eligibility:

- ❖ Incoming underrepresented Freshman or transfer student
- ❖ Intended or declared degree: EECS
- ❖ US Citizen or Permanent Resident
- ❖ Incoming GPA – 3.5 or above

The Cisco Systems Internet Generation Award is a \$5,000 supplemental award intended to offset expenses incurred in the pursuit of academic excellence while enrolled at UC Berkeley and working towards a degree in Electrical Engineering and Computer Science.

How to apply:

- ❖ Fill out application form online
- ❖ Send us your current high school transcript (copy is fine)
- ❖ Submit a brief letter of recommendation from a teacher (or a coach, employer)
- ❖ Attach a copy of your resume if available.
- ❖ **Deadline:** please mail in your application and transcript which must be received by **Monday April 18, 2008**. You may also use our FAX number if necessary: 510-643-7846

Please send your application by Monday April 18 to:
