

Application to Enroll in EE199 or CS199

In order to enroll in an independent study course, please complete the information requested below. Be sure to indicate the exact course designation for which you want to receive credit and the faculty member under whose supervision you will work. After securing the approval of this faculty member, return this form to: Center for Student Affairs, 211 Cory, for EE courses, and CS Division Office, 387 Soda, for CS courses. You will then be given the appropriate course control numbers with which to complete your registration.

****If you are adding this course after the third week of instruction**, please note that you will also need to fill out an add/drop form. These forms are available in 120 Sproul, 308 McLaughlin, or online at <http://registrar.berkeley.edu/GeneralInfo/electforms.html>.
